AAPT/PTRA 2006 Summer Institute
on Energy and Momentum
Application for

TEACHERS OF PHYSICS AND PHYSICAL SCIENCE
Santa Fe Community College
June 26[1] - 30, 2006

- offered by the *PHYSICS TEACHING RESOURCE AGENTS (PTRA)* program of the American Association of Physics Teachers (AAPT)
- including hands-on, minds-on, inquiry-based activities and lessons correlated to the Florida Sunshine State Energy Standards and relevant to your teaching
- presented by experienced, successful, AAPT/PTRA - certified classroom teachers, specially trained and updated to conduct workshops
- residential program allowing opportunity for professional interactions
- no cost to participants! campus meals and nearby lodging, one round-trip mileage, teacher manuals and classroom materials provided, plus a participant stipend of $300.
- limited enrollment to permit individual attention; teachers accepted on a first-come basis
- CEUs or Graduate Credit available by arrangement
